Docket No. 99-00507

Dear Mr. Scholes:

After review of the filing you provided on October 6, 2000, and the Staff data request received on October 12 and 26, 2000, we find it necessary to request additional information to clarify this filing:

1. Lynwood provided the water usage data for each customer for the first 9 months of 2000. Provide the same data in the same format by month for the 12 months ending December 31, 2000. The 3 additional months of data should be added to the previously submitted data and provided in hard copy and in Excel format as previously provided.
2. Provide by month, for 12 months ending December 31, 2000, the revenue and expenses for Lynwood Utility Company. Include revenue by month from Residential and Non-Residential customers and the expenses by month as outlined on previous profit and loss filings.

The information requested above is to be provided to the Tennessee Regulatory Authority by, noon, February 2, 2001. Should you have any questions or require further information, I can be reached at (615) 741-2904.

Sincerely,
